

Talking to your doctor about RSV

Below are a few questions to help you get started.

- 1 Is my baby at risk of getting very sick from an RSV infection?
- 2 What symptoms should I look out for?
- 3 What should I do if symptoms occur?
- 4 How can I help reduce my child's risk from RSV infection?
- 5 How is RSV spread?
- 6 How is it treated?
- 7 What kind of cleanser or soap should I use?
- 8 When should I call a doctor?
